

Memorial Donations

AgeWell Services operates Meals on Wheels and each year serves more than 363,00 meals to older adults in Muskegon, Oceana & Ottawa counties. AgeWell Services is more than meals and nutrition – we also provide programs in fitness and enrichment, volunteer opportunities and lifelong learning. It's all about quality of life!

Without the support of individuals, AgeWell would not be able to touch the lives of so many older adults in West Michigan. Your tax-deductible donation enables AgeWell to keep serving seniors and help them live happier, more independent lives.
