

MEMBERSHIP UPDATE

****If you are a resident of Fruitport Township, please stop by the Wellness Office and ask about discounted pricing on Art and Exercise classes****

We are very happy to announce that our Wellness Center no longer has any capacity restrictions. Since we were able to eliminate these restrictions, we have been receiving a lot of questions about membership options, specifically insurance memberships. We wanted to let everyone know that we have not forgotten about memberships or those of you who have insurance memberships. We have used the time during COVID-19 to re-evaluate how we structure our memberships compared to other senior centers throughout the state of Michigan.

We are excited to announce that beginning October 4, 2021, the Wellness Center will begin accepting insurances again. Please note, this will likely look different than it did prior to COVID-19. Our ultimate goal is to provide wellness services and activities to anyone interested at a reasonable price for everyone. There will be more information coming in September 2021 regarding future pricing, insurance benefits and what memberships will look like.

We are sure that many people are also still wondering about leftover membership dues from before COVID-19. Since we closed, we have not been charging membership dues, nor have we been tracking who owes membership dues. We froze all memberships on March 16, 2020. Whatever your membership status was on March 16, 2020 is what your current membership status is.

We want you all to know that we will do everything we can to complete the entire six weeks of programming without any cancellations. However, please understand that the pandemic is still going on and it is entirely possible that, at some point, a class may have to be cancelled or you may not be able to attend a class you registered for due to illness of your own. In most instances, refunds will not be awarded if a class is cancelled or you are unable to attend a class. This is a part of the risk you are assuming by registering for our programs. If there is an instance of extenuating circumstances, we will handle that on a case-by-case basis. Our intention is to be fair and these policies will remain fluid and change if necessary.

Thank you for your understanding. We are excited to have our Wellness Center moving in the direction of what our normal programming should look like!
