Dear Mr. Evans:

The Michigan Department of Transportation has received and reviewed your Title VI Plan. The plans are required by Title VI of the Civil Rights Act of 1964 which prohibits discrimination based on race, color, or national origin in programs and activities receiving Federal financial assistance. Specifically, Title VI provides that "no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance" (42 U.S.C. Section 2000d).

Your plan includes the required elements and was adopted by your Board of Directors on September 24, 2020.

If you have any questions regarding this review, please contact me at 517-230-5949 or WassomK@michigan.gov.

Sincerely,

Kevin Wassom, Compliance Analyst
