Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of AgeWell Services of West Michigan (a Michigan nonprofit corporation), which comprise the statements of financial position as of September 30, 2023 and 2022 and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AgeWell Services of West Michigan as of September 30, 2023 and 2022 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AgeWell Services of West Michigan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AgeWell Services of West Michigan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Report on the Audit of the Financial Statements—Continued

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AgeWell Services of West Michigan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AgeWell Services of West Michigan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 25, 2024, on our consideration of AgeWell Services of West Michigan’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of AgeWell Services of West Michigan’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering AgeWell Services of West Michigan’s internal control over financial reporting and compliance.

NOTE A—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

AgeWell Services of West Michigan (Organization) provides congregate and home delivered meals, recreational and wellness opportunities for senior citizens of Muskegon, Ottawa, and Oceana (Michigan) Counties as well as medical transportation to senior citizens of Muskegon County. In addition, the Organization operates a café that is open to the public. A summary of the significant accounting policies applied in the preparation of the accompanying financial statements follows.

Basis of Accounting

The financial statements are presented on an accrual basis of accounting which recognizes income when earned and expenses when incurred.

Basis of Presentation

The Organization is required to report information regarding its financial position and activities according to the following net asset classes: without donor restrictions and with donor restrictions.

Net assets without donor restrictions. Net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions. Net assets subject to donor-imposed stipulations. Some donor restrictions are temporary in nature; those may or will be met by actions of the Organization and/or the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets and liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law.

Revenue Recognition

Contribution Revenue

Contributions, which include cash, unconditional promises to give, certain contributed services, and gifts of long-lived and other assets, are recognized as revenues in the period received or promised. Substantially all of the Organization's grants are considered to be contributions for the purpose of applying revenue recognition policies. Contributions receivable beyond one year are stated at net present value of the estimated cash flows using a risk adjusted rate and are also recorded net of estimated uncollectible amounts.

Contributions are considered to be unconditional unless there are one or more barriers that must be overcome before the Organization is entitled to the assets received or promised. Conditional contributions are recognized when the conditions have been substantially met.

Unconditional contributions are considered to be without donor restriction unless specifically restricted by the donor for time or purpose. When a donor restriction is fulfilled or expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions and are reported in the statements of activities as net assets released from restriction.

Revenue Recognition—Continued

Revenue from Contracts with Customers

The Organization has multiple revenue streams that are accounted for as revenue from contracts with customers, including the following:

Cost-Share—Wellness

The Organization enters into contracts with participants when they enroll in wellness classes. The prices and benefits (different for each class) are defined in the program marketing materials. Revenue is earned each month when the Organization conducts wellness classes to enrolled participants. Revenue is recognized during the month of enrollment by participants, which is not always the same month as when the classes are held and the performance obligation is satisfied. This acceleration in revenue recognition is not deemed material to the financial statements.

Cost-Share—Café

The Organization operates a café which generates revenues through the sale of food items to customers. Prices for individual items are established by the Organization and published for the customers. Revenue is recognized at the point of sale.

Cost-Share—Private-pay meals

The Organization provides meals to customers that sign up in advance to receive a predetermined number of meals for the coming month. The Organization recognizes revenue when cash receipts are collected, which is usually in the month when the performance obligation is satisfied. The Organization does not defer the recognition of revenue when advance payments are received as the amounts are deemed immaterial to the financial statements.

Contracted meals

The Organization enters into written contracts to provide meals to the participants of senior-service organizations. The negotiated contract prices are based upon a suggested rate per meal. The senior-service organizations are charged based on the number of meals ordered according to their projected daily member census rates. Any unused meals are billed at negotiated rates. Billing is processed and revenue is recognized at the end of each month for the volume of meals provided.

Refunds for transactions from these revenue streams are rare. The Organization has not reported a liability for estimated returns as the amounts are not considered material to the financial statements. Taxes collected from customers relating to product sales and remitted to governmental authorities are excluded from revenues.

NOTE A—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES—Continued

Cash

Cash does not include cash or money market funds held by investment managers and designated for investment.

Investments

Investments are reported at their fair values which are generally based on quoted market prices.

Gains and losses on disposition are accounted for on a specific identification basis. Net realized and unrealized gains and losses are included as part of investment income, net, as reported in the statements of activities.

Inventories and Prepaid Expenses

Inventories include food and supplies stated at the lower of cost or net realizable value. Cost is determined by the first-in, first-out method.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items.

Property and Equipment

Property and equipment are recorded at cost or estimated fair market value on the date donated. Property and equipment are assets with an initial cost of \$5,000 or more and an estimated useful life in excess of one year. Depreciation and amortization are provided for in amounts sufficient to relate the cost of depreciable and amortizable assets to operations over their estimated service lives utilizing the straight-line method.

Compensated Absences

The Organization grants personal leave to all of its employees. A maximum of 45 personal days can be accumulated. Up to 45 days can be carried over to the subsequent year. Upon termination, the employee will be paid the accrued amount up to 45 days providing certain conditions are met.

Leases

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*, which requires lease assets and liabilities to be recorded on the balance sheet. The Organization adopted this ASU and related amendments as of October 1, 2022 under the modified retrospective approach and elected certain practical expedients permitted under the transition guidance, including to retain the historical lease classification, relief from reviewing expired or existing contracts to determine if they contain leases, and relief from determining whether previously capitalized initial direct costs would qualify for capitalization under the new ASU. For leases subject to index or rate adjustments, the most current index or rate adjustments were included in the measurement of operating lease obligations at adoption.

The adoption of this ASU and related amendments resulted in no change to total assets and total liabilities as of October 1, 2022. Accounting policies as a result of the adoption of this ASU are described below. Refer to Note M for additional lease disclosures.

NOTE A—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES—Continued

Leases—Continued

For any new or modified lease, the Organization, at inception of the contract, determines whether a contract is or contains a lease. The Organization records right-of-use (ROU) assets and lease obligations for its finance and operating leases, which are initially recognized based on the discounted future lease payments over the term of the lease. When the rate implicit in the Organization's leases is not easily determinable, the Organization has elected to use the risk-free rate in calculating the present value of the sum of the lease payments.

Lease term is defined as the non-cancelable period of the lease plus any options to extend or terminate the lease when it is reasonably certain that the Organization will exercise the option. The Organization has elected not to recognize ROU asset and lease obligations for its short-term leases, which are defined as leases with an initial term of twelve months or less.

For all classes of underlying assets, the Organization has elected to separate lease from non-lease components. Costs such as property taxes assessed by the lessor to the lessee, common area maintenance, utilities, and repairs and maintenance have been excluded from variable lease expense.

Volunteers

A number of volunteers, including the members of the Board of Directors, have made significant contributions of time to the Organization's policy-making, program, and support functions. The value of this contributed time does not meet the criteria for recognition of contributed services and, accordingly, is not reflected in the accompanying financial statements.

Non-monetary Transactions

Non-monetary transactions are recorded on the basis of the market value of services provided or assets transferred.

Description of Activities

Below is a summary of the program services administered by the Organization.

Congregate Meals

Provide nutritious meals and social activities to older individuals in congregate settings in the community.

Home Delivered Meals

Deliver nutritious meals and a daily visit to homebound older adults in the community.

LifeCircles

Provide LifeCircles clients with meals and nutrition services either at home or in a congregate setting.

Medicaid Waiver

Provide home delivered meals and a daily visit to homebound elderly and younger adults with disabilities as part of the Home and Community Based Services Waiver.

Wellness Center

While based in Tanglewood Park, the program is outreaching into the community and provides opportunities to stay healthy and independent by encompassing all dimensions of wellness.

Café

Creative dining and social experiences for all ages and also serves as a congregate meal location.

Senior Transportation

Provide door-to-door non-emergency medical appointment transportation for low-income Muskegon County seniors.

SafeSeniors

Identify, advocate, and seek justice for older adult victims of abuse, neglect, and financial exploitation through education and awareness, advocacy for policies and programs, and working with law enforcement on the investigation and prosecution of perpetrators of these crimes.

Other Services

Provide full-pay meals to older individuals within the community. Other services also include meal site transportation, Project Fresh coupon distribution and other miscellaneous activities.

Functional Expenses

The cost of providing the various programs and other activities has been summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on management's analysis and estimates.

Tax Status

The Organization is generally exempt from federal income tax under Internal Revenue Code Section 501(c)(3). However, income derived from activities unrelated to the Organization’s exempt function is taxable under the Code. This unrelated business taxable income arises principally from café sales to the general public.

In the preparation of tax returns, tax positions are taken based on interpretation of federal, state and local income tax laws. Management periodically reviews and evaluates the status of uncertain tax positions and makes estimates of amounts, including interest and penalties, ultimately due or owed. No amounts have been identified, or recorded, as uncertain tax positions. Federal, state and local tax returns generally remain open for examination by the various taxing authorities for a period of three or four years.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

Reclassifications

Certain prior year accounts have been reclassified for comparative purposes to conform to the current year presentation.

Date of Management's Review

Subsequent events have been evaluated through January 25, 2024, which is the date the financial statements were available to be issued.

NOTE B—AVAILABILITY AND LIQUIDITY

The following represents the Organization's financial assets as of September 30, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Financial assets at year end:		
Cash	\$ 751,911	\$ 240,423
Investments	171,671	159,252
Receivables	299,907	1,216,509
Beneficial interest in assets held by others	13,906	42,457
Total financial assets	1,237,395	1,658,641
Less amounts not available to be used within one year:		
Net assets with donor restrictions	47,044	40,077
Less net assets with purpose restrictions to be met in less than one year	(47,044)	(34,636)
	<u>-</u>	<u>5,441</u>
Financial assets available to meet general expenses over the next year	<u>\$ 1,237,395</u>	<u>\$ 1,653,200</u>

The Organization manages its liquidity by developing and adopting annual operating budgets that provide sufficient funds for general expenses and meeting its liabilities and other obligations as they become due. In addition, as disclosed in Note J, the Organization also has a line of credit of \$100,000 for short-term liquidity needs.

AgeWell Services of West Michigan
NOTES TO FINANCIAL STATEMENTS
September 30, 2023 and 2022

NOTE C—CONTRACT BALANCES

The Organization had receivables from contracts with customers of \$86,042, \$35,489 and \$25,683 as of September 30, 2023, 2022 and 2021, respectively. There were no contract assets as of September 30 for the same years. The Organization also had contract liabilities of \$15,193, \$12,530 and \$45,243 as of September 30, 2023, 2022 and 2021, respectively.

NOTE D—CASH

The Organization maintains its cash balances in three financial institutions. The balances are insured by the Federal Deposit Insurance Corporation up to certain limitations. At September 30, 2023, the Organization's uninsured cash balances were approximately \$506,000.

NOTE E—INVESTMENTS

Investments are stated at fair value and consist of the following at September 30, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Investment type:		
Mutual funds	\$ 165,702	\$ 156,819
Money market funds	5,969	2,433
	<u>\$ 171,671</u>	<u>\$159,252</u>

The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect investment account balances and the amounts reported in the financial statements.

NOTE F—FAIR VALUE MEASUREMENTS

Generally Accepted Accounting Principles establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Organization uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available.

September 30, 2023 and 2022

NOTE F—FAIR VALUE MEASUREMENTS—Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2023 and 2022.

Mutual funds: Valued at the closing price reported on the active market on which funds are traded.

Money market funds: Valued at amortized cost, which approximates fair value.

Beneficial interest in assets held by others: The assets are valued based upon the Organization’s allocable share of the Community Foundation of Muskegon County’s (Community Foundation) pooled investment portfolio. The allocable share is based on the value of the underlying assets owned by the fund, minus its liabilities.

The beneficial interest in assets held by others are valued monthly by the Community Foundation and are allocated based upon each organization’s calculated share of the Community Foundation’s pooled investment portfolio. Each entity with an interest within the pooled investments receives a statement from the Community Foundation indicating the additions to the investment (via contributions), withdrawals from the investment (via grants), and the investment returns allocated via a unitization process. The Organization calculates the fair value of its beneficial interest in the pooled investment assets held by the Community Foundation based on the estimated fair value of the underlying assets. The Community Foundation controls the investments and makes all management and investment decisions.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Organization’s assets at fair value as of September 30, 2023 and 2022:

	Assets at Fair Value as of September 30, 2023			
	Level 1	Level 2	Level 3	Total

NOTE H—BENEFICIAL INTEREST IN ASSETS HELD BY OTHERS

The Funds

The Organization had two funds with the Community Foundation for Muskegon County (Community Foundation). During the year ended, September 30, 2022, the remaining funds were transferred out of the AgeWell Services Campaign Fund, and the account was closed.

AgeWell Services/Meals on Wheels of West Michigan Endowment Fund

The AgeWell Services/Meals on Wheels of West Michigan Endowment Fund (Meals on Wheels Fund) was established in 2011 by the Organization primarily to transfer operational surpluses, to fund any operational deficiencies and to receive Meals on Wheels Fund contributions. The agreement with the Community Foundation allows the use of the Meals on Wheels Fund’s income and principal to be used for the Organization’s general operations.

AgeWell Services Campaign Fund

The AgeWell Services Campaign Fund (Campaign Fund) was established in 2018 by the Organization to support the construction of the downtown Muskegon offices and café. The agreement with the Community Foundation allowed the use of the Campaign Fund’s income and principal to be used for downtown Muskegon facility improvements.

The Community Foundation invests the contributions to the funds in various types of marketable equity and debt securities, U.S. Treasuries, commercial paper, and certificates of deposit. The majority of investments are uninsured and uncollateralized.

Reporting of the Assets of the Funds

The investments held at the Community Foundation, which were contributed by the Organization to the funds along with the earnings on these investments, are reported at fair value by the Organization as assets without donor restrictions. Any contributions to these funds made by third-party donors directly to the Community Foundation have been excluded from the net assets of the Organization.

Summary of Community Foundation Funds

The Board of Trustees of the Community Foundation has the power to modify any restriction or condition on the distribution of funds for any specified charitable purpose or to a specified organization if, in the sole judgment of the Board, such restriction or condition becomes, in effect, unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community served. The authority to modify restrictions is sometimes referred to as “variance power” and is a legal standard imposed on all community foundations.

NOTE I—INCOME TAXES

Deferred Income Taxes

The tax effects of temporary differences that give rise to deferred tax assets and liabilities as of September 30, 2023 and 2022 are as follows:

	2023	2022
Federal deferred tax asset (liability)		
Net operating loss	\$ 104,300	\$ 94,100
Valuation allowance	(104,300)	(94,100)
Net deferred tax asset (liability)	\$ -	\$ -

For the years ended September 30, 2023 and 2022, a valuation allowance of \$104,300, and \$94,100, respectively, was booked against the deferred tax asset from café activities as the future utilization of the net operating loss carryforward is uncertain.

Operating Loss Carryforwards

The Organization has regular tax net operating loss carryforwards of approximately \$170,800 which expire, if unused, through 2038. Additionally, the Organization has regular tax net operating loss carryforwards of approximately \$326,200, which do not expire and are limited to 80 percent of taxable income in a single year.

NOTE J—NOTE PAYABLE

The Organization has an unsecured line of credit with borrowings limited to \$100,000 and interest payable monthly at the prime rate plus 1.11 percent (effective rate was 9.61 percent at September 30, 2023) expiring May 2029. There was no outstanding balance on the line of credit as of September 30, 2023 and 2022.

Maturities of long-term debt are as follows:

Year Ending September 30,	Amount
2024	\$ 4,406

NOTE L—IN-KIND CONTRIBUTIONS

For the years ending September 30, 2023 and 2022, in-kind contributions recognized within the statements of activities included:

	2023	2022
Auction items	\$ 17,682	\$ 19,033
Rent	45,329	46,001
Information technology services	8,512	9,135
Stock	4,954	2,740
Supplies	-	2,570
	\$ 76,477	\$ 79,479

Fair Value Techniques

Auction items and supplies are valued using the amount specified by the donor or the price to purchase the same or similar items. Rent is valued using the average service day rent for the two locations that support the Congregate Meals program. Information technology services are valued using the respective invoices or contracts for services. Stock is recorded at fair market value.

Donor Restrictions and Use

Auction items are restricted for use at the Heels for Meals and More fundraiser. All other in-kind contributions are not restricted. The Organization does not sell in-kind contributions apart from the sale of auction items donated for the Heels for Meals and More fundraiser and contributed stock which is immediately sold. The sale of auction items and donated stock supports all of the Organization's programs. Rent and supplies are used in the Congregate Meals program. Information technology services are used in all program and supporting services.

	<u>\$ 499,028</u>

NOTE N—COMMITMENTS

Vehicle Purchases

As of September 30, 2023, the Organization had approved commitments for the purchase of a Senior Transportation program vehicle of approximately \$48,000 and a loading area door of approximately \$16,000.

NOTE O—CONTINGENCIES

Grant Revenues

The operations of the Organization are primarily funded by grant contracts. Accordingly, the revenues received are restricted to the purposes provided in the contracts. In the event of a discontinuance of any such contracts, the accumulated surplus of operating such contracts, including assets purchased with the restricted funds, is to be returned to the granting agencies.

Grant Programs

The Organization participates in grant programs, which are subject to program compliance audits by the grantor or its representatives. Such audits of these programs may be performed at some future date. The amount, if any, of expenses which may be disallowed by the granting agencies cannot be determined at this time although the Organization expects such amounts, if any, to be immaterial.

NOTE P—CONCENTRATION OF CREDIT RISK

A substantial amount of the Organization’s receivables, deferrals and revenues are a result of direct funding with Senior Resources of West Michigan (Senior Resources). For the years ended September 30, 2023 and 2022, the Organization’s percentages of concentration with Senior Resources were as follows:

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
AgeWell Services of West Michigan
Muskegon, Michigan

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of AgeWell Services of West Michigan (a nonprofit organization), which comprise the statement of financial position as of September 30, 2023, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 25, 2024.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered AgeWell Services of West Michigan's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of AgeWell Services of West Michigan's internal control. Accordingly, we do not express an opinion on the effectiveness of AgeWell Services of West Michigan's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether AgeWell Services of West Michigan’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program

We have audited AgeWell Services of West Michigan's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of AgeWell Services of West Michigan's major federal programs for the year ended September 30, 2023. AgeWell Services of West Michigan's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Responses.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of AgeWell Services of West Michigan's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about AgeWell Services of West Michigan's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of AgeWell Services of West Michigan's compliance.

Board of Directors
AgeWell Services of West Michigan

Report on Compliance for Each Major Federal Program—Continued

Opinion on Each Major Federal Program

In our opinion, AgeWell Services of West Michigan complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2023.

Report on Internal Control Over Compliance

Management of AgeWell Services of West Michigan is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered AgeWell Services of West Michigan’s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of AgeWell Services of West Michigan’s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of AgeWell Services of West Michigan as of and for the year ended September 30, 2023, and have issued our report thereon dated January 25, 2024, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
 For the year ended September 30, 2023

1. The accompanying Schedule of Expenditures of Federal Awards (the “schedule”) includes the federal award activity of the Organization under programs of the federal government for the year ended September 30, 2023. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position or change in net position of the Organization.
2. Please see the financial statement footnotes for the significant accounting policies used in preparing this schedule. Expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. The Organization is not using the ten-percent de minimis indirect cost rate as allowed under the Uniform Guidance.
3. Reconciliation of unrestricted revenues from federal sources per financial statements and expenditures per single audit report Schedule of Expenditures of Federal Awards.

Revenues from federal sources per September 30, 2023 financial statements	\$ 1,635,121
Plus federal grant net assets released from restriction during the year	<u>22,640</u>
